

Affordable Housing & Sustainable Communities Program

ROUND 3 LESSONS LEARNED WORKSHOPS

You are invited to participate in the Strategic Growth Council's (SGC) *Lessons Learned Workshops* to reflect on Round 3 of the Affordable Housing & Sustainable Communities (AHSC) Program. During the workshops, AHSC Program staff will facilitate roundtable discussions on a variety of aspects of the program, including the guidelines and application process with the aim of gathering input to improve the program in future rounds.

SGC looks forward to hearing your feedback and suggestions during these sessions, which will be held in Fresno, Los Angeles, and Oakland this July.

Please register for the workshops using the links below. We request that you limit registrations to no more than two people per organization in order to allow representatives from other entities to attend.

For those who cannot attend, or prefer to submit comments in writing, SGC will also accept written comments until **August 14th**. Please send all comments to ahsc@sgc.ca.gov.
