

## CalEnviroScreen 1.1 Top 10% of Statewide Scores

This list includes all zip codes that fall within the top 10% of CalEnviroScreen scores per version 1.1 released in September 2013. SGC applicants must use to version 1.1 of CalEnviroScreen to determine whether their community qualifies for the SGC Environmental Justice Set-Aside for Round 3 of the Sustainable Communities Planning Grant and Incentives Program. If the community for which you are applying for qualifies, please visit the [CalEnviroScreen mapping website](#) to create a map of the EJC area and where it overlaps with the proposed grant application area which is a required element of SGC's grant guidelines. For more information, please refer to page 10 of the SGC guidelines:
