Overview of Proposed Rulemaking and Purpose of Hearing

Background:

- Assembly Bill 2722 created the Transformative Climate Community Program (Program), to be administered by the Strategic Growth Council, to “fund the development and implementation of neighborhood-level transformative climate community plans that include multiple, coordinated greenhouse gas emissions reduction projects that provide local economic, environmental, and health benefits to disadvantaged communities, as described in Section 39711 of the Health and Safety Code.” (Pub. Resources Code § 75240.)

Overview of Proposed Rulemaking and Purpose of Hearing

Proposed Rulemaking:

- On September 23, 2016, the SGC proposed to adopt the following regulations:

Transformative Climate Community Program funds shall be allocated in the cities of Los Angeles and Fresno, and a third location. A minimum of half of the funds shall be allocated in the City of Fresno. A minimum of one fourth of the funds shall be allocated in the City of Los Angeles.

Overview of Proposed Rulemaking and Purpose of Hearing

Initial Statement of Reasons:

- AB 2722 that SGC *“may give priority to plans and projects that cover areas that have a high proportion of census tracts identified as disadvantaged communities and that focus on communities that are most disadvantaged.”*
- Consideration of neighborhood level transformation
- Consideration of investment in Los Angeles, Fresno and a third location

Overview of Proposed Rulemaking and Purpose of Hearing

Purpose of Hearing:

- Receipt of public comment on proposed rulemaking
- First of several phases to develop the program – guidelines and selection criteria to be developed in the next phase
- Additional information about program development & timeline to be released later this month
