

California Strategic Growth Council Notice of Funding Availability Calendar 2023

Updated August 2023

PROGRAM	DESCRIPTION	Jan-23	Feb-23	Mar-23	Apr-23	May-23	Jun-23	Jul-23	Aug-23	Sep-23	Oct-23	Nov-23	Dec-23	2024
Affordable Housing and Sustainable Communities (AHSC)	Funding for affordable housing near jobs, stores, transit, and other daily needs. Projects also fund infrastructure to improve safety and convenience of walking, bicycling, and transit trips.	NOFA: approximately \$750M			Applications Due				Awards Announced				Round 8 Guidelines Approved by Council NOFA TBD	
Sustainable Agricultural Lands Conservation (SALC)	Funding supports projects that protect agricultural lands that are at risk of conversion to more GHG-intensive uses. The program provides three types of awards: Planning grants, Capacity grants, and Agricultural Conservation Acquisition grants.				Final Guidelines Approved by Council NOFA \$TBD		Acquisition & Planning Pre-proposals due	Capacity Applications Due		Acquisition & Planning Applications Due			Awards Announced	
Climate Change Research Program (CCR)	Funding supports research projects that provide information, tools, and resources to support climate action in vulnerable communities and ecosystems in cross-cutting and holistic ways.	All available funds awarded.												
Community Resilience Centers	Funding supports the construction or retrofit of existing neighborhood-level facilities to serve as community resilience centers that mitigate the public health impacts of extreme heat and other emergency situations exacerbated by climate change, such as wildfire, power outages, or flooding.				Final Guidelines Approved by Council	NOFA: ~\$100M			Implementation Pre-Proposals due	Applications Due			Awards Announced	
Tribal Capacity Building Pilot Program	A new program that will provide funding and tailored technical assistance to California Native American Tribes. The goal of the pilot program is to assist tribes in developing long-term capacity to secure funding and implement tribal-led climate solutions.										Final Guidelines Approved by Council			Applications due in February 2023
Regional Climate Collaboratives (RCC)	Funding supports capacity building and technical assistance to enable communities to advance their long-term climate strategies, including accessing funding to implement projects. RCC is a part of SGC's Community Assistance for Climate Equity (CACE) Program.						Final Guidelines Approved by Council	NOFA: ~\$8.5 Million		Pre-proposals due			Applications Due	Awards Announced February 2024
Transformative Climate Communities (TCC)	Funding supports multiple integrated community resilience projects, such as sustainable and affordable housing, public transit stations, bike and pedestrian improvements, and urban greening in California's most disadvantaged communities.		Final Guidelines Approved by Council	NOFA \$99.2 Million			Implementation Pre-applications due	Planning & Project Dev Grants Initiation Forms Due	Final Applications Due				Awards Announced
