

## CDFA COMMUNITY RESILIENCE CENTERS GRANT PROGRAM

CDFA's CRC grant program focuses on improving community facilities to enhance the state's emergency preparedness capabilities, particularly in response to climate change. The program will fund retrofits and new construction of physical infrastructure that will help communities during emergency evacuations, shelters, base camps during emergency events, and extended emergency evacuation response centers.

### ADMINISTERING AGENCY

California Department of Food and Agriculture

## SGC COMMUNITY RESILIENCE CENTERS GRANT PROGRAM

SGC's CRC grant program will fund neighborhood-scale resilience centers to provide shelter and support during climate and other disasters and to serve as a hub for on-going community services during non-emergency times. The program will fund new construction and upgrades of physical infrastructure; relevant amenities like transportation; and services and programming that build the community infrastructure necessary to respond quickly and effectively in times of crisis.

### ADMINISTERING AGENCY

Strategic Growth Council
