TO: **All Potential Applicants**

FROM: TCC Program Staff, Strategic Growth Council

SUBJECT: **NOTICE OF FUNDING AVAILABILITY – A TOTAL OF APPROXIMATELY \$105 MILLION FOR THREE IMPLEMENTATION GRANT AWARDS AND A TOTAL OF APPROXIMATELY \$1.2 MILLION FOR FOUR PLANNING GRANT AWARDS FOR ROUND 4 OF THE TRANSFORMATIVE CLIMATE COMMUNITIES PROGRAM**

The California Strategic Growth Council (SGC) along with its partner agency, the Department of Conservation (DOC), is pleased to announce the availability of funding for Round 4 of the Transformative Climate Communities (TCC) Program through this Notice of Funding Availability (NOFA). SGC anticipates that approximately \$105 million in Implementation Grant funding and approximately \$1.2 million in Planning Grant funding will be available for competitive awards in Round 4. The TCC Program furthers the purposes of [AB 32](#) (Nunez, Chapter 488, Statutes of 2006) and [AB 2722](#) (Burke, Chapter 371, Statutes of 2016) by funding projects that reduce greenhouse gas (GHG) emissions through the development and implementation of neighborhood-level transformative climate community plans that include multiple coordinated GHG emissions reduction projects that provide local economic, environmental, and health benefits to disadvantaged communities. Funding for the TCC Program is provided by the General Fund's Climate Budget.

Funds available include a total of approximately \$105 million for three implementation grant awards of \$35 million each and a total of \$1.2 million for four planning grant awards of \$300,000 each for Round 4 of the TCC Program.

Implementation Grant Pre-Proposals must be submitted no later than 5:00 p.m. PST on Friday, April 22, 2022. Final Implementation Grant Applications must be submitted no later than 5:00 p.m. PST on Friday, July 1, 2022 according to the terms of this NOFA.

Planning Grant Applications must be submitted no later than 5:00 p.m. PST on Friday, July 1, 2022 according to the terms of this NOFA.

To be considered for awards, applicants must fill out an application survey and indicate their interest in applying for a TCC Implementation Grant by March 25, 2022, or a TCC Planning Grant by May 16, 2022 (except for Planning Grant applicants from unincorporated communities or tribal communities that wish to have Application Technical Assistance and must submit earlier).

Application Surveys from all applicants using Application Technical Assistance are due Friday, March 25, 2022. Application Technical Assistance is required for all Implementation Grants and available to tribal communities and unincorporated communities for Planning Grants. Surveys will be available on the [TCC Resources](#) page under "Current Application Materials".

After receiving the survey responses, TCC Program staff will provide Implementation Grant and Planning Grant Applicants with a link to a Microsoft SharePoint folder where the application materials can be accessed and uploaded once they are completed. TCC Program staff will also connect all Implementation Grant Applicants to the SGC-selected technical assistance provider to assist with the completion of application materials. Applicants that are unable to access an online application via a Microsoft SharePoint folder may contact SGC for assistance.

Information about the TCC Program, including the Program Guidelines, application technical assistance, and other resources can be found at the SGC website: <http://sgc.ca.gov/programs/tcc/resources/>. Questions may be directed to the TCC Program by email at tcc@sgc.ca.gov.

PROGRAM SUMMARY

The TCC Program is administered by SGC and implemented by DOC, along with other partnering State agencies. SGC staff and partnering State agencies have worked collaboratively to develop and administer the TCC Program, including developing program guidelines and application materials, preparing agreements and program templates, and coordinating technical assistance for potential applicants.

All Implementation Grant Applicants must submit application materials using their assigned TCC Microsoft SharePoint folder, a web-based application. Pre-Proposal Applications must be submitted by **5:00 p.m. PST on April 22, 2022**, and Final Applications must be submitted by **5:00 pm PST on July 1, 2022**. No late applications or application revisions will be accepted after the application submittal deadline. [TCC Guidelines](#). Eligible applications will be scored based on the threshold and scoring criteria in Section II.G, "Application". Following the initial application review, members of the review panel will conduct site visits with each of the applicants. Based on the interagency review of the applications and site visits, TCC Program Staff will finalize and prepare award recommendations to present to the SGC Council Members for consideration of final approval. The SGC staff will contact applicants recommended for funding. Staff recommendations will be posted for public review ten (10) days prior to the SGC public meeting.

Application resources are available on [SGC's website](#) including how to access and submit an application via the Microsoft SharePoint folder. The anticipated date of announcement for the selection of Implementation Grant recommendations is October 2022. Applications must meet all eligibility requirements upon submission. Applications having material inconsistencies will not be rated and ranked. Modification of the application by the applicant after submission is prohibited.

It is the applicant's responsibility to ensure that the application is clear, complete, and accurate. After the application deadline, staff from SGC, DOC, or other partnering state agencies may request clarifying information or inquire as to where the application-specific information is located provided that such information does not affect the competitive rating of the application. No information, whether written or oral, will be solicited or accepted if this information would result in a competitive advantage to an applicant or a competitive disadvantage to other applicants.
