

Landowner Letter of Support Template

Instructions: This template is available to help Applicants to the Tribal Capacity Building Pilot Program develop their Landowner Letter of Support, if applicable. Program activities must be located within the boundaries of the State of California and may apply funds towards activities involving, but not limited to, the following:

- Tribally owned lands, building, or facilities
- Lands over which a tribe exercises jurisdiction, or lands that the Bureau of Indian Affairs holds in trust for tribes
- Public domain allotments
- Lands managed for the benefit of tribes through conservation easements, lease agreements, co-management agreements, or partnership agreements
- Lands that hold cultural relevance or are used for culturally relevant activities (e.g., lands used for prescribed or ceremonial burning)

Tribes must provide a map that follows the above requirements and clearly indicates the project area the tribe intends to conduct program activities on. **If any part of the project area is not under the jurisdiction or ownership of the tribe, the tribe must provide a letter of support from the land ownership entity demonstrating consent to the tribe's proposed activities, if applicable.** Applicants can adapt this format however they see fit or follow a different format.
